### AUTHOR BIO

Michael Ruggiero is the author of the *7th Soul* trilogy, a metaphysical thriller series exploring destiny, faith, power, and the unseen forces that shape human lives. Blending suspense with spiritual inquiry, his work examines the tension between free will and purpose in a world where survival is never accidental.

The concept for *7th Soul* originated as a screenplay that placed in the Top 40 out of more than 4,000 entries in the prestigious BlueCat Screenplay Competition. That recognition inspired the expansion of the story into a trilogy, allowing its characters, emotional depth, and philosophical themes to fully unfold in novel form.

Drawing inspiration from real-life experiences, questions surrounding energy and survival, and the intersection of science and faith, Ruggiero writes stories that challenge readers to consider whether destiny is discovered, resisted, or commanded.

### THE TRILOGY

*7th Soul* is a metaphysical thriller trilogy following Coby Rodríguez, a woman born carrying the power of six unseen souls. As global systems fracture and ancient forces awaken, the series explores the cost of destiny, the nature of sacrifice, and whether power is meant to be endured, resisted, or commanded.
